New Life at Kajjansi, Uganda! Multiethnic Effort

By God's grace, New Life Presbyterian Church was born on 9/23/00. Rarely in ministry are such fruits so quickly seen, but the Spirit moved in power, while the Presbyterian Church of Uganda laid the foundation.

Pastor Francis Mayanja welcomed his members on the day New Life was dedicated. Lookout Mountain Presbyterian Church contributed \$6,000. for land and the building, and the Reconciliation Team spent a week in personal and crusade evangelism, resulting in over 250 professions of faith. Thanks to all who supported the Team in prayer and finances. A photo report:
