UN Refugee Camp, Juba

Dental and teaching teams!

1. Join our 13th ministry trip in South Sudan, working with the Presbyterian Ch. of S. Sudan. Partnering with I-TEC, we're bringing a team of dentists to Juba to train 6-8 S. Sudanese in tooth extractions. We also need dentists to go to the large Juba refugee camp, where we work. Dental assistants and helpers are also needed.
2. One-week courses are desired at Grace Theological College in Juba and shorter seminars at the refugee camps.
3. Our teams are relational and multicultural. We go to serve, rather than observe.
4. The fee is \$1000, plus round-trip airfare (to Uganda, and Juba). Our agent provides discounted fares on quality airlines, and excellent service. Immunizations, visas, and outfitting are extra. We have had no safety problems to date.
5. You can get your church involved. Team members' lives have been changed.
